1STYLE×2TEXTURE 2 textured styling options for different moods in 1 curl style

An arranged low panytail

CURLY WAX

Take a coin size of product in the palms(adjust depending on the hair volume), run it throughout the hair. Then, tie the hair and tug out some of the hair around the face little by little.

To revive fallen curls

RIDGE JELLY

Take a coin size of product in the palms, distribute it from the middle to the ends. Massage the hair with your hands as if massaging to define the curls.

A loose iron-curled style

LOOSING FOAM

Take 2 ping-pong balls of product in the palms, run in throughout the iron-curled hair. Loosen the curls with your hands.

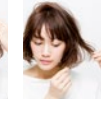

To hold the perm or iron-curled style

HAIR MAKE SPRAY

Spray on areas where you want to hold the airy texture, such as the bangs and the roots to the middle. Then, adjust the volume at the ends.

1STYLE×2TEXTURE 2 textured styling options for different moods in 1 curl style

A trendy hairstyle with the hair down

LOOSING FOAM
