

Bask in a refreshing summer sky, healing bath time with M I N T

Hair care for cool, gentle washing of
the scalp and hair damaged by the summer sun.
A "quick-drying mask" can shorten the time for dryer use.
With a new packaging and fragrance,
MINT makes this summer more comfortable and refreshing.

1000mL

If you want **refreshment and a full exhilarating cool sensation**

MINT SHAMPOO FROZEN REFRESH

Frozen Refresh

Cool feeling

Natural menthol with a sharp, cool feeling is combined with **Cool Plus**^{※1※2} to give a refreshing sensation that can break past the heat of summer.

Formulated with oil cleansing ingredients^{※4} to enhance washing.
Wax and other styling agents can be removed cleanly with just one shampoo.

Grapefruit & Plumeria fragrance enhances the feeling of refreshment → Cool feeling 

Odor care

Use a uniquely-formulated **W Odor Care** system. 4 types of masking ingredients^{※3}, and masking fragrances that can control scalp odor, provide double odor care.

If you are mainly concerned about **treating the particular damage of the summer season**

MINT SHAMPOO MILD REFRESH

Mild Refresh

Summer care

Formulated with a combination of silk-derived cleansing ingredients, to treat damage and make hair resistant to color fading.
Scutellaria root extract (repair ingredient) is also added to treat UV damage.

Wash away sebum and dirt with a pleasant, cool feeling.

Lemon & Orange flower fragrance gives coolness and refreshment → Cool feeling 

Smooth finish

Hydrolyzed silk can protect the cuticles and make hair smooth and silky.

A **quick-drying mask** that can shorten the time for dryer use in the summer

MINT MASK MILD REFRESH <Scalp•Hair Treatment>

Mild Refresh

Quick-drying

Formulated with corn powder^{※5} to make each strand of hair smooth without tangling, allowing air from a dryer to reach deep within and quickly dry hair thoroughly and evenly.

Sebum clogging the pores can be thoroughly removed to revitalize the scalp.

Apple & Jasmine fragrance gives light and calm feeling → Cool feeling 

Hair cohesion

Combination of plant-derived oil ingredients^{※6} gives a silky smooth feel all the way to the hair ends.
